Baby
it happens when you're close to me
My heart starts beating-hey-a strong beat.
Oh
I can't leave you alone
can't leave you alone
Oh
I can't leave you alone
can't leave you alone
that's why I keep holdin' on
keep holdin' on
Keep holdin' on
keep holdin' on
Oh
darling I can't resist your love no more
'Cause darling

I love you
I love you much
too much.

Oh
I can't leave you alone
can't leave you alone
Oh
I can't leave you alone
can't leave you alone
that's why I keep holdin' on
keep holdin' on
Keep holdin' on
keep holdin' on.

Oh
I can't leave you alone
can't leave you alone
