Mmm, ah (ah-ahhh)
Mmm, ah
Mmm-mmm-mmm, ah (ah-ahhh)
Mmm-mmm, ah

Sexy baby, good lovin' daddy
Ooh, let me be your rockin' chair
Just-a rock me way from here
Let's get it on, come to me baby
Ooh, let me be your rockin' chair
Just-a rock me way from here

Let your arms, shelter me from all hurt and pain
Mmm, light my heart, with your everlasting flame
Ooh, mmm-mmm

Sexy baby, (rock, rock) good lovin' daddy (rock, rock)
Ooh, let me be your (rock, rock) rockin' chair
Rock (rock, rock) me way from here
Let's get it on (rock, rock), mmm, come to me baby
(rock, rock)
Ooh, let me be your rockin' (rock, rock) chair
Just-a rock (rock, rock) me way from here

Rock me gently, make me feel like a cloud in the sky,
mmm
Whisper softly, let my heart take wing and fly

Mmm, mmm, mmm

Sexy baby, (rock, rock), ooh, good lovin' daddy (rock,
rock)
Let me be your (rock, rock) rockin' chair

Just-a rock (rock, rock) me way from here
Let's get it on (rock, rock), mmm, come to me honey
(rock, rock)
Ooh, let me be your rockin' (rock, rock) chair
Just-a rock (rock, rock) me way from here

Mmm...just-a rock me baby
Ooh, in my rockin' chair
Babe, mmm
All night long 'till the mornin' comes just-a you, babe
Ooooh
Just-a rock me honey, mmm, a-rock me baby
In the midnight hour, hey, in my rockin' chair
All night long

C'mon baby, sexy baby
Ooh, let me be your rockin' chair (ah-ahhh)
Just-a rock me way from here
C'mon baby, sexy honey
Ooh, let me be your rockin' chair (ah-ahhh)
Mmm, rock me baby
