If you say my singing is off key, my love  
You would hurt my feelings, don't you see, my love ?  
I wish i had an ear like yours,  
A voice that would behave  
All i have is feeling  
And the voice god gave

You insist my music goes against the rules  
Yes, but rules were never made for lovesick fools  
I wrote this song for you  
But you don't care  
It's a crooked song, ah,  
But my heart is there

The thing that you would see if you would play the part  
Is even if i'm out of tune i have a gentle heart  
I took your picture with my trusty rolliflex  
And now all i have developed is complex

Possibly in vain, i hope you weaken, oh my love  
And forget those rigid rules that undermine my dream  
of  
A life of love and music with someone who'll  
understand

That even though i may be out of tune when i attempt  
to say  
How much i love you  
And all that matters is the message that i bring,  
Which is: my dear one, i love you
