It's christmastime  
There's no need to be afraid  
At christmastime, we let in light and we banish shade  
And in our world of plenty we can spread a smile of joy  
Throw your arms around the world at christmastime

But say a prayer

Pray for the other ones  
At christmastime it's hard, but when you're having fun  
There's a world outside your window  
And it's a world of dread and fear  
Where the only water flowing is the bitter sting of tears  
And the christmas bells that ring there are the clanging  
Chimes of doom  
Well tonight thank God it's them instead of you

And there won't be snow in africa this christmastime  
The greatest gift they'll get this year is life

(ooh) where nothing ever grows  
No rain nor rivers flow  
Do they know it's christmastime at all?

(here's to you) raise a glass for everyone  
(here's to them) underneath that burning sun  
Do they know it's christmastime at all?

Feed the world  
Feed the world

Feed the world

Let them know it's christmastime again

Feed the world  
Let them know it's christmastime again

Repeat then fade
