You say ...

You say what you think is a fight you bet  
Someday of a one track mind of same-sex kind of club,  
capital city of love  
..face it with me... both in the air  
...capital city of love!  
Capital city of love, capital city of love!

(Every other lover in the world)

Boy, I will show you just what you want  
Boy, I'll show you just how to get it [get it]  
And baby, something makes me think that this guy  
feels like  
Every other lover in the world,

And I said

Boy I will show you just what you want  
Boy, I'll show you just how to get it  
And baby, something makes me think that this guy  
feels like  
Every other lover in the world!

And I said...

Boys come, boys come, boys go  
I can't see the love if it's small  
I can't see the love if it's small!

You say ' what's the matter, don't you trust me?

Cause I'm not.. on you  
I love you when others say...  
I can show you things that...
