(feat. Aretha Franklin)

Like a warrior that fights

And wins the battle

I know the taste of victory

Though i went through some nights

Consumed by the shadows

I was crippled emotionally

Somehow i made it through the heartache

Yes i did. I escaped.

I found my way out of the darkness

I kept my faith (i know you did), kept my faith

When the river was deep i didn't falter

When the mountain was high i still believed

When the valley was low it didn't stop me, no no

I knew you were waiting. I knew you were waiting for me

With an endless desire i kept on searching

Sure in time our eyes would meet

Like the bridge is on fire

The hurt is over, one touch and you set me free

I don't regret a single moment, no i don't looking back

When i think of all those disappointments

I just laugh (i know you do), i just laugh

When the river was deep i didn't fairer

When the mountain was high i still believed

When the valley was low it didn't stop me

I knew you were waiting. I knew you were waiting for me

So we were drawn together through destiny

I know this love we snared was meant to be

I knew you were waiting, knew you were waiting

I knew you were waiting , knew you were waiting for me
