Kindness in your eyes  
I guess you heard me cry  
You smiled at me  
Like, Jesus to a child

I'm blessed, I know  
Heaven sent, heaven stole  
You smiled at me  
Like, Jesus to a child

And what have I learned  
From all this pain  
I thought I never feel the same  
About anyone  
Or anything again  
But now I know

When you find love  
When you know that it exists  
Then the lover that you miss  
Will come to you on those cold, cold nights  
When you've been loved  
When you know it holds such bliss  
Then the lover that you kissed  
Will comfort you when there is no hope in sight

Sadness in my eyes  
No one guessed, well no one tried  
You smiled at me  
Like, Jesus to a child

Loveless and cold  
With your last breathe you saved my soul  
You smiled at me  
Like, Jesus to a child

And what have I learned  
From all these tears  
I've waited for you all those years  
Then just when it began  
He took your love away  
But I still say

When you find love  
When you know that it exists  
Then the lover that you miss  
Will come to you on those cold, cold nights  
When you've been loved  
When you know it holds such bliss  
Then the lover that you kissed  
Comfort you when there is no hope in sight

So the words you could not say  
I'll sing them for you  
And the love we would have made  
I'll make it for two  
For every single memory  
Has become a part of me

You will always be  
My love  
Well I've been loved  
So I know just what love is  
And the lover that I kissed is always by my side  
Oh, the lover I still miss  
Was Jesus to a child
