I've had enough of danger from people on the streets  
Iâ'm looking out for angels, just trying to find some  
peace

I think it's time that you let me know  
So if you love me, say you love me  
Well, if you don't just let me go

Cos teacher, there are things that I don't wanna learn  
And the last one I had made me cry  
So I don't wanna learn to hold you  
Touch you, say that you're mine  
Because there ain't no joy for an uptown boy  
Whose teacher has told him goodbye  
Goodbye, goodbye

When you were just a stranger and I was at your feet  
I didn't feel the danger, now I feel the heat  
That look in your eyes telling me no  
So you think that you love me, you know that you need  
me  
I wrote the song, I know it's wrong, just let me go

And teacher, there are things that I don't want to learn  
Oh, the last one I had made me cry  
So I don't want to learn to hold you  
Touch you, say that you're mine  
Because there ain't no joy for an uptown boy  
Whose teacher has told him goodbye  
Goodbye, goodbye

So when you say that you need me  
That you'll never leave me  
I know you're wrong, you're not that strong, let me go  
And teacher, there are things that I still have to learn  
But the one thing I have is my pride

So I don't want to learn to hold you  
Touch you, think that you're mine  
Because there ain't no joy for an uptown boy  
Who just is unwilling to try  
Iâ'm so cold inside  
Maybe just one more try
