So you want to be free
To live your life the way you wanna be
Will you give if we cry
Will we live or will we die

Tainted hearts heal with time
Shoot bad love so we can
Stop the bleeding

Solitary brother,
Is there still a part of you that wants to live?
Solitary sister,
Is there still a part of you that wants to give?
Solitary brother,
Is there still a part of you that wants to live?
Solitary sister,
Is there still a part of you that wants to give?

If we try to live our lives
The way we wanna be

Solitary brother,
Is there still a part of you that wants to live?
Solitary sister,
Is there still a part of you that wants to give?
Solitary brother,
Is there still a part of you that wants to live?
Solitary sister,
Is there still a part of you that wants to give?

Racism in future kins can only lead to no good
And besides, all our sons and daughters already
Know how that feels

(adam tinley/henry samuel)

Was the third of september
That day I'll always remember, yes I will
Cause that was the day that my daddy died

Never had a chance to see him, no
Never heard nothing but bad things about him

Mama, Im depending on you to tell me the truth
Mama just hung her head and said

Chorus

Papa was a rollin stone
Wherever he laid his hat was his home
And when he died
All he left us was alone
(repeat)

Hey, mama, is it true what they say
That papa never worked aday in his life
Some bad talk going around sayin
Papa had three outside children
And another wife
That aint right

Heard some talk about papa and his storefront
Preachin
Talkin about saving souls and all the time
Leachin
And dealing in dirt
Stealin in the name of the lord

But mama she just said

Chorus

Say I heard my papa was a jack of all trades
Is that what papa sent to an early grave?
Folks say papa would beg, borrow or steal just
To pay his bills
Hey, mama, folks say papa was never much in thinkin
Spent most of his time chasin women and drinkin
But mother, Im depending on you
To tell me the truth

But my mama she just said

Chorus (2x)

(norman whitfield/barrett strong)
