Star people
Counting your money till you soul turns green
Star people
Counting the cost of your desire to be seen

I do not count myself among you
I may be living in a dream
Its just there seem so many of you
Cant help but hope
There's a difference between...you and me

Youre a star
(Im talking to you)
Youre a star

I said
Maybe your mama gave you up boy
(its the same old same old)
Maybe your daddy didn't love you enough girl
How much is enough?

Star people
Never forget your secrets safe with me
Just look at all the wonderful people
Trying to forget they had to pay for what you see

Its a dream
With a nightmare stuck in the middle
But listen brother where would you be
Without all this attention
Youd die
Id die
Wed die wouldn't we
(well wouldn't we)

Big, big star
Should go far

Youre a star
(Im talking to you)
Youre a star

I said
Maybe your mama gave you up boy
(its the same old same old)
Maybe your daddy didn't love you enough girl
How much is enough?

Talk about your mother
Talk about your father
Talk about the peopel
Who have made you what you are
Talk about your teacher,
The bully boy who beat you
Talk about te people who have paid
For that new sports car

Did you gat off on a bad foot, baby
Do you have a little to tell
Is that why you're a star?
Is that what makes a star?

Nothing comes for nothing, baby
That fame and fortunes heaven sent
And who gives a f*** about your problems, darling
When you can't pay the rent

How much is enough?
