Ive had enough of danger
People on the streets
Im looking out for Angels
Just tryin to find some peace
I think it's time
That you let me know
So if you love me,say you love me
But if you don't just let me go

'cause teacher there are things that I don't want to
learn
And the last one I had made me cry
So I don't wanna learn to hold you,touch you
I think that your mine
Be'cause there aint no joy
For an uptown boy
Whos teacher has told him Good
bye..Goodbye...Goodbye

When you were just a stranger
And I was at your feet
I didn't feel the danger
Now I feel the heat
That look in your eyes
Tellin me no
So you think that you love me
Know that you need me
I wrote this song,I know it's wrong,Just let me go

Teacher there are things that I don't want to learn
And the last one I had made me cry
So I don't wanna learn to hold you,touch you
I think that your mine
'cause there aint no joy
For an uptown boy
Whos teacher has told him Goodbye

So when you say that you need me
That you'll never leave me
I know your wrong,your not that strong
Let me go

Teacher there are things that I still have to learn
But the one thing I have
Is my pride

Oh so I don't wanna learn to hold you,touch you
I think that your mine
Be'cause there aint no joy
For an uptown boy
Who just isn't willing to try

Im so cold Inside
Maybe Just one more try
