The First Time Ever I Saw Your Face  
I thought the sun rose in your eyes  
And the moon and the stars were the gifts you gave  
To the dark and endless skies, my love  
To the dark and empty skies

The first time ever i kissed your mouth  
I felt the earth move in my hands  
Like the trembling heart of a captive bird  
That was there at my command, my love

That was there at my command

The first time i ever lay with you]  
And felt you heart so close to mine  
And i knew our joy would fill the world  
And would last till the end of time, my love  
It would last till the end of time  
The first time ever i saw your face  
Your face, your face
