I'm sending you a big bouquet of roses
One for every time you broke my heart
And as the door of love between us closes
Tears will fall like petals when we part
I begged you to be different but you'll always be untrue
I'm tired of forgiving now there's nothing left to do
So I'm sending you a big bouquet of roses
One for every time you broke my heart
[guitar]
You've made our lover's lane a road of sorrow
Till at last we had to say goodbye
You're leaving me to face each new tomorrow

With a broken heart you taught to cry
I know that I should hate you after all you've put me
through
But how can I be bitter when I'm still in love with you
So I'm sending you a big bouquet of roses
One for every time you broke my heart
