You're as sweet as the red rose in June dear
I love you adore you I do
Each night through loveland we'll wander sweetheart
Telling love stories anew
Out of the blue sky a dark cloud came rolling
Breaking my heart in two
Don't leave me alone for I love only you
You're the one rose that's left in my heart
[vibes]
Each night through loveland we'll wander sweetheart
Telling love stories anew
Out of the blue sky a dark cloud came rolling...
(In my heart)
