[Verse1]

I wanna take you home, to my place
Share my dreams and my fantasies, I can't wait
I wanna show you things, you've never seen before
Girl I hear you cryin, cryin out for more

[Hook]

Talk to me, Talk to me, Am I doing this right
Talk to me, Talk to me, Are you feeling alright

[Chorus]

Ive been waiting for this my whole life, and here you
are tonight
Ive been waiting for this my whole life, and I can see it
in your eyes
Are you ready to stay up all night, to see the morning
light
Ive been waitin, and waitin and waitin my whole life

[Verse2]

So now here we are, dim the lights down low
Oh we can go fast, or should I go slow
I wanna kiss your lips, is that okay
Im that guy, im that guy baby you'll be callin out my
name
Sing it to me now

Talk to me, Talk to me, Am I doing this right
Talk to me, Talk to me, Are you feeling alright
SING IT!

[Chorus]

Ive been waiting for this my whole life, and here you
are tonight
Ive been waiting for this my whole life, and I can see it
in your eyes
Are you ready to stay up all night, to see the morning
light
Ive been waitin, and waitin and waitin my whole life

[Verse3]

I wanna cater to you
Nothing that I wouldn't do
I try to find words to say
I've never felt love in this way, this way (vocalizing)

[Chorus]

I've been waiting for this my whole life, and here you
are tonight
I've been waiting for this my whole life, and I can see it
in your eyes
Are you ready to stay up all night, to see the morning
light
I've been waitin, and waitin and waitin my whole li-li-li-
life

Will you be waitin my whole liiiife
