Don't mind the teardrops on the roses that I sent you  
I didn't mean to show my broken heart this way  
No matter what you do you'll never lose my love dear  
As far as I'm concerned you're in my heart to stay

And if the teardrops make the red red roses fade and  
fall apart  
Throw aside the broken petals like you threw away my  
heart  
Don't mind the teardrops on the roses that I sent you  
I didn't mean to show my broken heart this way  
[ steel ]  
You'll find a card among the roses that I sent you

Saying love like ours should never die and I'll be true  
Don't mind the teardrops on the roses that I sent you  
I didn't mean to show my broken heart this way
