I am the lineman for the county and I drive the main
road
Searching in the sun for another overload
I hear you singing in the wires I can hear you through
the whine
And the Wichita lineman is still on the line

I know I need a small vacation but it don't look like rain
And if it snows that stretch down south won't ever
stand the strain
And I need you more than want you and I'll want you for
all time
And the Wichita lineman is still on the line

[guitar]
And I need you more than want you...
