Knocks mothafuckas]

[Mr. Shadow]
I'm from the Academy of Hard Knocks
Felons wit glocks, attitude fuck it when I see them cops

Destruction, the beginin sequel of Criminals
On war paths, aftermath, combat, platinum tracks, fuck

Always strappin like that, so back the fuck up cause
Capone's gonna bust

[Mr. Capone-E]
Locked up like a G, fuck my enemies
Straight parole from the streets
Fuck you, and fuck peace
I got my soldiers at ease, from the SurSide Academy
You're gonna get what you're gonna get
Mothafucka you got nothin to gain
You can't fuck wit these same Gangsta Bergade
Now tel mel, who's your mothafuckin problem
Straight gangsta mobbin, SouthSide

[Chorus 2: Fingaz [Mr. Shadow]
Do you wanna mob wit Gs [2 or 3 mothafuckas]
SouthSide Academy [From the school of Hard Knocks

mothafuckas]

[2x]

[Lil Dreamer]

I'm another SouthSide Academist, pharmacist,
graduate

World's most dangerous, Hi-jack you like a terrorist

Yeah, keep you hostage for ransom

And if you wanna act up I'll do you like Manson

Charles, with no fuckin morals

Leave your tongue on your lap straight chrippin like a
squirell

Now your heart starts to clout

Lil Dreamer mothafucka and we don't stop

[Mr. Capone-E]

Ha ha ha, and the saga continues

Servin ya platinum so check your menus

Sent you, a weed note with a threat

Negelect, reject this note, post up and get wet

Follow me, follow me, follow me to the depths of hell

Bailin out, killin devils, burnin down church bells

In jails, all correctional facilities

Mr. Capone-E a graduate from the Academy

[Chorus 3: Fingaz [Mr. Capone-E]

Do you wanna mob wit Gs [2 or 3 mothafuckas]

SouthSide Academy [From the school of Hard Knocks
mothafuckas]

[2x]

[Mr. Capone-E] *Talkin*

Now tell me, who wants some SGV shit

The sickest, realest group, Americaz most wanted
convicted outlaws

What's up Snapper

[Snapper]

Let me tell you, we take no bull shit

Bring a posse, can't fuck wit my gangsta poparatzi

We keep bustin straight convict kamakazi

Through your hood, get your strap, get your bat

Mothafuckas get your gat

[Mr. Shadow]

It's like that, G's like us run up in pad

[Snapper]

It's the town wit the most Gs

Look here leva, you can't school me

Or the homie, Capone-E

[Mr. Capone-E]
Still in the game, no shame
The same, derange, dementaly sick
We don't give a shit bitch
Got shotgun and we pop em
And if you cross our path it get's jacked
This war path, matter last, born or bash
Outkast, 1st class, whip lash, blood bath
And that's that, so Lil Dreamer homeboy
Tell em where you at

[Lil Dreamer]
I'm in a habitat of a G
Straight packin a heat
Puttin it down straight on the concrete
SGV style, never smile, ghetto child
Lil D, fuck my enemies, SouthSide Academy
Reality hits, when we drop this shit
SouthSide Connection straight platinum hit
Now dip mothafucka, and I'll see you in a casket
Just another scandleous gangsta from the Academist

[Chorus 4: Fingaz [Mr. Capone-E]
Do you wanna mob wit Gs [2 or 3 mothafuckas]
SouthSide Academy [From the school of Hard Knocks
mothafuckas]
