Cant Stop Loving You Lyrics
Artist: George Nozuka

Since you let me go
Every single day seems impossible
Just can't get u out of my mind
Everything I see brings back memories
Of you and me
Left me on my knees
Even though it's been hell
I'm still begging please
And I really just wanna why

Babe if you're home please pick up the phone
Cuz I'm incomplete.. without you
I just can't stop loving you
I just can't stop loving you
Cuz I'm all torn up and I just can't give up
Loving you,
I just can't stop loving you
I just can't stop loving you
Cuz im all torn up and I just can't give up

I know you hate girl
And I know you're only doing this to
Hurt me, girl, and im dying inside
Tonight, i got no other choice, i need to hear your voice
To get goodbye,
If were meant to be just thought I should be happy
And im saying it straight from the phone
If loving you is wrong i don't wanna be right
Guess it is what it is I..

I just can't stop loving you
I just can't stop loving you (cant stop, can't can't stop)
Cuz im all torn up and I just can't give up

Loving you,
I just can't stop loving you
I just can't stop loving you
Cuz im all torn up and I just can't give up loving you

There's are times I don't know what im suppose to do
Cuz i don't like to be alone (don't like to be alone)
Lookin at all the pictures that I have of you
Im listening to sad love songs
Where will i go, what will i do
Who will i be if i can't be with you
Here i stand, half a man
And im givng my all in my hand

I just can't stop loving you
I just can't stop loving you
(cant loving you, can't stop loving you)
Cuz im all torn up baby and I just can't give up
Loving you,
I just can't stop loving you can't stop loving you
I just can't stop loving you
Cuz im all torn up and I just can't give up loving you

I just can't stop loving you
I just can't stop loving you
Cuz im all torn up and I just can't give up
Loving you,
I just can't stop loving you
I just can't stop loving you
Cuz im all torn up and I just can't give up
(all torn up, can't give up)
(all torn up, can't give up)
