"Plastic Doll"

I was drawn by the asset of a model in a box
She was trapped, she was taken, she was waiting to be
bought
All her love just forgotten, she was loved without a
thought
But a familiar face, I couldn't walk away

Don't ask me why I had to steal your heart
Nobody else would ever play my part
Baby, your worth doesn't have a price
I wish that I could I make everything right

I feel in love with a plastic doll
She isn't real, just a plastic doll
She doesn't know what love is at all
Don't ask me why I got involved
With a plastic doll, a plastic doll

She forgot all the motion, just another empty dollar
For a smile, for a dance, no one really understands
What it takes to replace all the love that's disappeared
I long for your embrace, I'll do whatever it takes

Don't ask me why I had to steal your heart
Nobody else would ever play my part
Baby, your worth doesn't have a price
I wish that I could I make everything right

I feel in love with a plastic doll
She isn't real, just a plastic doll
She doesn't know what love is at all
Don't ask me why I got involved
With a plastic doll, a plastic doll

You can call me crazy
You can say you top this
'Cause I'm crazy for her
And I'm hopelessly in love

I'll be a fool for you
Nothing I wouldn't for you and your love

I don't want no prototype
You are one of a kind

I feel in love with a plastic doll
She isn't real, just a plastic doll
She doesn't know what love is at all
Don't ask me why I got involved
With a plastic doll, a plastic doll
