You look real good in that pastel dress
You are hard to resist
Girl, I must confess
It's been way too long
Since I've taken you out
Do you have plans later on?
Girl, lets twist and shout

I want us to be spontaneous baby
Have I told you that you're beautiful lately?

If you wanna hit the club, rewind
Dinner on the mountain top, one time
Anything you wanna do
i promise you, I'll bring it to life
I'm leavin' it up to you tonight

We stay in too much
In this same old room
Wanna feel your touch
On the edge of the moon

Time to hit the road
In our freshest clothes
Put your high heels in first gear
Let's get to where we gotta go

I want us to be spontaneous baby
Have I told you that you're wonderful lately?

If you wanna hit the club, rewind
Dinner on the mountain top, one time
Anything you wanna do
I promise you, I'll bring it to life
I'm leavin' it up to you tonight

It's your choice
We can roll through the sky
In a Rolls Royce
Doing all the things you want
Baby, ask and I'll deliver

Flowin' like a river tonight
Won't you take my hand?

If you wanna hit the club, rewind [Rewind]
Dinner on the mountain top, one time [Take you to the
highest place]
Anything you wanna do
I promise you, I'll bring it to life [For you baby]
I'm leavin' it up to you tonight

If you wanna hit the club [I got you]
Dinner on the mountain top [I got you, baby]
anything you wanna do
I'm leavin' it up to you tonight

It's up to you tonight
