It goes something like this,  
Haha,  
Guess whos coming...

**-VERSE 1-**

I've got a fake I'd like a secret agent  
To get in and out of here when the rhythm changes.  
I'm a bad super hero,  
I bring truth to the wierdest,  
To the bruisers, losers, cheaters to the non-believers.

**-BRIDGE-**

All the girls in the hood keep them high,  
And the boys with the girls can't deny.  
That the girls know exactly what is up.  
Shake it all the way to the club  
(Repeat)

**-CHORUS-**

To all of my people,  
I'm sending a signal,  
The secret is out.  
Shake it shake it...

Don't need your permission  
This is our decision  
Were rocking this town  
Headz up headz up...

**-VERSE 2-**

Shut up and listen  
All your talking makes my head explode to pieces,  
Cos this negative like recess  
Girls are dying for my kisses.  
So my legs have started moving  
To the exit I can't stop me  
And the djs getting ready to start pumping  
Do you copy?

**-BRIDGE X2-**

**-CHORUS-**
