A careless mind  
'S to be delivered  
The hurtin' kind  
We can do without

I'm the one who's bringing  
You the best pain reliever  
You have heard about

To beat the down  
That's out to get you  
You need a high  
That's gonna tune you up

I'm the one who's ringing at your door  
And who's bringing  
What you sent out for

It may just take my intervention  
To break the circle of pain  
Just recollect when it was your prime intention  
To drive yourself completely insane

And it's amazing  
When we ride the high  
And it's amazing, baby  
When we hit that sky  
And it's amazing  
No limit to see  
It's way too good for us to let it be

The waterline  
's above the marker  
Each nine to five  
Will make the level rise

You can grab the line  
Release the tension from the mind  
That caused the overflow

It may just take my intervention  
To break the circle of pain

Just recollect when it was your prime intention  
To drive yourself completely insane

And it's amazing  
When we ride the high  
And it's amazing, baby  
When we hit that sky  
And it's amazing  
No limit to see  
It's way too good for us to let it be

No it's so damned amazing  
When we ride that high  
It's extra ordinary crazy  
When we hit the sky  
It's amazing  
Ain't no limit to see  
It's way too good for us to let it be

So damned amazing  
When we ride that high  
It's extra ordinary crazy  
When we hit the sky  
And it's amazing  
No limit to see  
It's way too good for us to let it be, baby
