I'd work all night
Work all day
I'd even work for a lousy pay
As long as you love me
And always think of me
It doesn't matter to me

I'd work my fingers to my bones
As long as you won't leave me alone
And hug me and kiss me
And tell me you miss me
It doesn't matter to me

You got a certain way of teasing me
When I'm out and blue
And when it's time for love and pleasing
I got a whole lotta lovin' to do

I'd trace your tracks
And drag you home
I'd bring you back wherever you may roam
If that's what is needed
You better believe it
It doesn't matter to me

You got a certain way of teasing me
When I'm out and blue
And when it's time for love and pleasing
I got a whole lotta lovin' to do

I'd trace your tracks
And drag you home
I'd bring you back wherever you may roam
If that's what is needed
Babe, you better believe it
It doesn't matter to me

It doesn't matter
It doesn't matter to me
No it doesn't matter
It doesn't matter to me
It doesn't matter

It doesn't matter to me
