George Sanford Jackson
"Lay Off Of Me"

Won't take a long explanation
To tell you what I'm gonna do

I feel a well known frustration
'Cause I've been waiting 'round an hour for you

I'm sick and tired of your lying
And have enough of you pickin' on me

There sure as hell 's no denying
I don't like the way it turned out to be

So come on stop your bitchin'
Won't you be so kind
For what team are you pitchin'
No, it sure ain't mine
You made a fool of me baby
And you know that's true
Another reason to get rid of you

So hey hey, let me go
I'm tied up like a calf in a rodeo
Hey hey, set me free
You gotta let me be

So when you show up to meet me
You come around with no respect

You never hug me or greet me
And that's the very least a man could expect

You got your friends all around you
With their snotty upper lip attitude

I had enough of that competin'
And the way that you've been treatin'
Me like any regular dude

You think your hotter than hell
When you talk that way
You mean you always have to tell
What you have done all day

So take your gold plated panties
Shove 'em up your snot
I want a girl to love me hell of a lot

So hey hey, let me go
Go, go won't you let me go
I'm tied up like a calf in a rodeo
I keep on runnin' but I'm much too slow
Hey hey, set me free
Please let go of me
You gotta let me be
Let me be

So come on stop your bitchin'
Won't you be so kind
For what team are you pitchin'
No, it sure ain't mine
You made a fool of me baby
And you know that's true
Another reason to get rid of you

So hey hey, let me go
Go, go won't you let me go
You tied me up like a calf in a rodeo
I keep on runnin' but I'm much too slow
Hey hey, set me free
Free, free, please let go of me
It takes a lotta nerve for you to disagree
I'm outta here, don't grab ahold of me
I'm not after you, so lay off of me
