Turn down the lights, turn down the bed
Turn down these voices inside my head
Lay down with me, tell me no lies
Just hold me close, don't patronize
Dont patronize me

cause I cant make you love me if you don't
You cant make your heart feel something it wont
Here in the dark in these final hours
I will lay down my heart, and Ill feel the power
But you wont, no you wont
And I cant make you love me
If you don't

Ill close my eyes and then I wont see
The love you do not feel, when you're holding me
Morning will come, and Ill do whats right

Just give me till then, to give up this fight
And I will give up this fight

And I cant make you love me if you don't
You cant make your heart feel something it wont
And here in the dark in these final hours
I will lay down my heart and Ill feel the power
But you wont, no, you wont
And I cant make you love me
If you don't

Aint no use in you trying
Its no good for me baby without love
All my tears, all these years, everything I believed in
Baby
Oh yeah
Someones gonna love me
