Lady, I'm your knight in shining armor and I love you
You have made me what I am and I am yours
My love, theres so many ways I want to say I love you
Let me hold you in my arms forever more

You have gone and made me such a fool
I'm so lost in your love
And oh, we belong together
Wont you believe in my song?

Lady, for so many years I thought Id never find you
You have come into my life and made me whole
Forever let me wake to see you each and every
morning

Let me hear you whisper softly in my ear

In my eyes I see no one else but you
Theres no other love like our love
And yes, oh yes, Ill always want you near me
Ive waited for you for so long

Lady, your loves the only love I need
And beside me is where I want you to be
cause, my love, theres somethin I want you to know
You're the love of my life, you're my lady
