I remember all my life
Raining down as cold as ice
A shadow of a man
A face through a window
Crying in the night
The night goes into

Morning, just another day
Happy people pass my way
Looking in their eyes
I see a memory
I never realized
How happy you made me oh Mandy

[Chorus:]

Well you came and you gave without taking
But I sent you away, oh Mandy
Well you kissed me and stopped me from shaking
And I need you today, oh Mandy
I'm standing on the edge of time
I Walked away when love was mine
Caught up in a world of uphill climbing
The tears are in my mind
And nothing is rhyming, oh Mandy

[Chorus]

Yesterday's a dream I face the morning
Crying on the breeze
The pain is calling, oh Mandy

[Chorus]

You came and you gave without taking
But I sent you away, oh Mandy
You kissed me and stopped me from shaking
And I need you...
