Good morning heartache
You are a gloomy sight
Morning heartache
Thought we said goodbye last night
I tossed and turned until it seemed you had gone
But here you are with the dawn

I wish I'd forget you
You're here to stay
It seems I met you
When my love went away
Now every day I start by saying to you
"Morning heartache, what's new?"

Stop haunting me now
Can't shake you, no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues

Good morning heartache
Here we go again
Good morning heartache
You're the one who knew me well
Might as well get used to you hangin' around
Morning heartache, sit down

Stop haunting me now
Can't shake you, no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues

Morning heartache
Here we go again
Good morning heartache
You're the one who knew me well
Might as well get used to you hangin' around
Good morning heartache, sit down
