[Verse 1] Oh you know that i love her better heat some advice.
If youre bad to your baby, you better think twice.
Love dont come easy. Love aint blind.
Youve got to show her you love her.. More then a night.
Be there for her, Just to make things right.
Make her believe, Till there aint a doughbt in her mind.

[chorus]
Better baby your baby, when the love is strong.
Hold her and tell her, youll never do her wrong.
Better baby your baby
Cuz if you dont, one day your baby'll be gone.

[verse 2]
Dont let her get lonely, dont make her cry.
Dont take her for granted, Or tell her a lie.
Bring her red roses, When shes blue.
Give her the best of, what youve got to give.
Youll be together as long as you live.
Babay your baby, She'll baby you.

[chorus (repeat 2 times)]
Better baby your baby, when the love is strong.
Hold her and tell her, youll never do her wrong.
Better baby your baby
Cuz if you dont, one day your baby'll be gone.
