Well I was out a drinkin'  
With a couple of friends of mine  
When the bartender handed me the telephone  
Says ";There's a wife on the line.";  
I told her I was just a drinkin'  
With a couple of buddies I knew  
She told me in a few short words  
Just a what she wanted me to do

She said ";Oh won't you come home and talk to a  
stranger.  
Cause you might even make yourself a friend.";  
She said ";Won't you come home and talk to a  
stranger.  
It's the only place in days you haven't been.";

Well I sat there about an hour  
Talkin' with the rest of the guys  
When she walked through that front door  
She had ";Get home"; in her eyes  
She said ";You've danced and talked  
With every woman in town but me.  
And if you'd just come around the house  
You might like my company.";

She said ";Oh won't you come home and talk to a  
stranger.  
Cause you might even make yourself a friend.";  
She said ";Won't you come home and talk to a  
stranger.  
It's the only place in days you haven't been.";

She said ";Oh won't you come home and talk to a  
stranger.  
Cause you might even make yourself a friend.";  
She said ";Won't you come home and talk to a  
stranger.  
It's the only place in days you haven't been.";
