Any old time you get lonely  
Nights get cold or love is blue  
Just snuggle up honey, you're my one and only  
Any old time, I'm here for you

Pay no mind to the hour  
Or how far away you may be  
Any old time you can find me, drop in a dime  
And there I'll be

Any old time you start missin'  
Somebody to hold, to keep you company  
I'll be willin' when you want my kissin'  
Any old time, just call on me

Pay no mind to the hour  
Or how far away you may be  
Any old time you can find me, drop in a dime  
And there I'll be
