I'm back to bein' me
I'm back to bein' nobody
The who I was before I was your used to be
I'm back to bein' me
I'm back to who I was
Before I was the one who fell in love
With the one who never, ever was in love
I'm back to bein' me

These eyes that used to cry myself to sleep Now they're dry they don't lay me down to weep For the first time in a long time I like seeing what I see No thanks to you I'm back to bein' me

These eyes that used to cry myself to sleep Now they're dry they don't lay me down to weep For the first time in a long time I like seeing what I see No thanks to you I'm back to bein' me

I'm back to bein' me
I'm back to bein' nobody
The who I was before I was your used to be
I'm back to bein' me
I'm back to who I was
Before I was the one who fell in love
With the one who never, ever was in love
I'm back to bein' me

I'm back to bein' me I'm back to bein' me
