I take off time to time with those crazy friends of mine
Head out on steel horses with wheels and we ride
We burn up that road to old Mexico, blend in with the
desert
Just we amigos and we roll

And cowboys like us sure do have fun
Racin' the wind, chasin' the sun
Take the long way around back to square one
Today we're just outlaws out on the run
There'll be no regrets, no worries and such for cowboys
like us

We talk about livin', babies and women
All that we've lost and all we've been givin'
We sing about true love, lie about things we ain't done
Drink one more cold one, come morning' get up and we
roll

Cowboys like us sure do have fun
Racin' the wind, chasin' the sun
Take the long way around back to square one
Today we're just outlaws out on the run
There'll be no regrets, no worries and such for cowboys
like us

Cowboys like us sure do have fun
Racin' the wind, chasin' the sun
Take the long way around back to square one
Today we're just outlaws out on the run
There'll be no regrets, no worries and such for cowboys
like us

Cowboys like us
