Our love is unconditional, we knew it from the start
I see it in your eyes, you can feel it from my heart
From here on after, stay the way we are right now
And share all the love and laughter, that a lifetime, will
allow

Chorus

I cross my heart, and promise to
Give all I've got to give to make all your dreams come
true
In all the world, you'll never find
A love as true as mine

You will always be the miracle, that makes my life
complete
And as long as there's a breath in me, I'll make yours
just as sweet
As we look into the future, it's as far as we can see
So let's make each tomorrow, be the best that it can be

Chorus

I cross my heart, and promise to
Give all I've got to give to make all your dreams come
true
In all the world, you'll never find
A love as true as mine

And if along the way, we find that there, it starts to
storm
You've got the promise of my love to keep you warm

In all the world you'll never find, a love as true as mine...

A love as true as mine
