It's dance time in Texas and were striking up the band  
Let's go honky tonkin', honey, take my hand  
It's dance time in Texas where the wine and music  
flows  
We'll do that Texas two step and that old Cotton-Eyed  
Joe

I'll take you honky tonkin' in my old pick up truck  
It's dance time in Texas and the music lifts you up

It's dance time in Texas and we're striking up the band  
We'll go honky tonkin', honey, take my hand  
It's dance time in Texas where the wine and music  
flows  
We'll do that Texas two step and that old Cotton-Eyed  
Joe

Now, it's time for a slow dance and we're waltzing, oh  
so close  
It's dance time in Texas and you're the one I love the  
most

It's dance time in Texas and we're striking up the band  
Let's go honky tonkin', honey, take my hand  
It's dance time in Texas where the wine and music  
flows  
We'll do that Texas two step and that old Cotton-Eyed  
Joe
