I am goin' down Louisiana way  
I'm goin' back as of this very day  
Don't worry about me, 'cause I'll be okay  
I'm goin' down Louisiana way

I will miss all my old Chicago friends  
And think about you, San Francisco now and then  
I will remember, my compadres in L.A.  
Look me up, down Louisiana way

I am goin' down Louisiana way  
I'm goin' back as of this very day  
Don't worry about me, 'cause I'll be okay  
I'm goin' down Louisiana way

Don't let your eyes get misty now  
We knew the time would come around  
For me to go  
And I will miss you

So long friend, yes I'll see you while I go  
I might be back, sometime you just never know  
I have left a sweetheart, North of Whiskey Bay  
True love waits down the Louisiana way

I am goin' down Louisiana way  
I'm goin' back as of this very day  
Don't worry about me, 'cause I'll be okay  
I'm goin' down Louisiana way  
I'm goin' down Louisiana way

I am goin' down Louisiana way  
I'm goin' back as of this very day  
Don't worry about me, 'cause I'll be okay  
I'm goin' down Louisiana way  
I'm goin' down Louisiana way
