I told her I wouldn't miss her at all as she walked to the door  
I couldn't care less if she didn't care anymore  
And with tears in my eyes, I lied, I was glad we were through  
As she drove away cryin' at the famous last words of a fool

Famous last words of a fool  
Famous last words of a fool  
"You won't break my heart and I don't love you"  
The famous last words of a fool

The first night without her would be easy, I kept telling myself  
All the while dying at the thought of her lying somewhere else  
There'll be nothing to it, I'll easily find someone new  
As my breaking heart echoed the famous last words of a fool

Famous last words of a fool  
Famous last words of a fool  
"You won't break my heart and I don't love you"  
The famous last words of a fool  
"You won't break my heart and I don't love you"  
Famous last words of a fool
