Let there be not one stranger to away in a manger
Let there be not one soul left untold
Let there be not one face unknown to the face of the
one
Who will gather the foe

For Christ's sake, it's Christmas
So for Christ sake let everyone know
They all have the choice, so lift up your voice
Make sure they know

By Christmas Eve pray that everyone sees that
We've opened the eyes that were closed
For Christ's sake it's Christmas
And for Christ's sake let everyone know

For Christ's sake, it's Christmas
So for Christ sake let everyone know
They all have the choice, so lift up your voice
Make sure they know

By Christmas Eve pray that everyone sees that
We've opened the eyes that were closed
For Christ's sake it's Christmas
And for Christ's sake let everyone know
