I don't know what to think of it  
Sometimes I hate it  
Sometimes I love it  
Girl, this relationship we're in  
To say the least it's puzzlin'

Like a crossword puzzle  
Fill in the blanks

What's four down and twelve across?  
Two letter synonym for lost, that's me  
And a three letter word  
That rhymes with through  
Oh, I get it  
That's you

Never believed in horoscopes  
But to the left of the ad  
For a new dishwashin' soap  
Dear Abby's got some good advice  
For a troubled couple lost in paradise

In the livin' section  
Page two

What's four down and twelve across?  
Two letter synonym for lost that's me  
And a three letter word

Oh, I get it  
That's you, that's me, that's us

Sometimes love ain't enough  
We try and try for the life of me  
Why did we give up?
