i'm not gonna lay around and whine and mourn
for somebody that done me wrong
don't think for a minute that i am gonna sit around and
sing some old sad song
i believe it's half full not a half empty glass
every day i wake up knowing it could be my last

chorus

i ain't here for a long time
i'm here for a good time
so bring on the sunshine
to hell with the red wine
pour me some moon shine
when i am gone put it in stone he left nothing behind
i'm not here for a long time
i'm here for a good time

folks are always dreaming 'bout what they like to do

but i like to do just what i like
i take the chance dance the dance
it might be wrong but then again it might be right
there's no way of knowing what tomorrow brings
life is too short to waste it
i say bring on anything

chorus

i ain't here for a long time
i'm here for a good time
so bring on the sunshine
to hell with the red wine
pour me some moon shine
when i am gone put it in stone he left nothing behind
i ain't here for a long time
i'm here for a good time
i ain't here for a long time
i'm here for a good time
