(Dean Dillon/Glen Martin)

Leavin' me behind is all behind you now

It's plain to see that you're for good over me

You've gotta whole new life ahead of you

You did waht you lived to do

And I'm all behind you now

And I'll be behind you always

Should you every be a yesterday

Though it tears me up

To know deep down

I'm all behind you know

You're comin' back

My way will come my way again

I'll never be what I was with you and me

And I don't know who or where your goin' to

But you did what you lived to do

And I'm all behind you now

And I'll be behind you always

Should you every be a yesterday

Though it tears me up

To know deep down

I'm all behind you know

Yeah it tears me up to know deep down

I'm all behind you know
