"I Believe"

The nights as clear as a big desert sky,
But it's hard to see stars with these tears in my eyes,
It's hard enough to cry, when there's 26 reasons why
There's broken hearts that'll never beat the same,
Shattered lives still reeling from the pain,
Our plans and dreams now gone,
Oh how did you move on

But I believe there's someone looking after me
Someone beside me, night and day to light the way
It's hard to see something you can't see
But I believe
I believe

There's 26 angels looking down from above
Resting in His mercy, grace, and love
Time may never heal the sadness that we feel

But I believe there's someone looking after me
Someone beside me, night and day to light the way
It's hard to conceive something you can't see
But I believe
I believe

Rivers flow now that used to be dry
As people all over the world start to cry but I believe
