I don't take my whiskey to extremes
Don't believe in chasin' crazy dreams
My feet are planted firmly on the ground
But darlin' when you come around

I get carried away by the look by the light in your eyes
Before I even realize the ride I'm on, baby I'm long
gone

I get carried away nothin' matters but bein' with you
Like a feather flyin' high up in the sky on a windy day
I get carried away

It might seem like an ordinary night
Same ol' stars same ol' moon up high
But when I see you standin' at your door
Nothin's ordinary anymore

I get carried away by the look by the light in your eyes
Before I even realize the ride I'm on, baby I'm long
gone

I get carried away nothin' matters but bein' with you
Like a feather flyin' high up in the sky on a windy day
I get carried away

I get carried away by the look by the light in your eyes
Before I even realize the ride I'm on, baby I'm long
gone

I get carried away nothin' matters but bein' with you
Like a feather flyin' high up in the sky on a windy day
I get carried away

Carried away
