I gotta get to you
'Cause you sure been getting to me
Gotta find a way to get to your heart
To sweep you off your feet

I'll wrap you up in my love
Cover you with kisses so sweet
I gotta get to you
'Cause you sure been getting to me

I'll win you over
Over and over again
I'm getting closer
Closer than I've ever been

I gotta get to you
'Cause you sure been getting to me
Gotta find a way to get to your heart
To sweep you off your feet

I'll wrap you up in my love
Cover you with kisses so sweet
I gotta get to you
'Cause you sure been getting to me

I'll keep on trying
Trying and I'll never give up
I would be lying
If I said we were close enough

I gotta get to you
'Cause you sure been getting to me
Gotta find a way to get to your heart
To sweep you off your feet

I'll wrap you up in my love
Cover you with kisses so sweet
I gotta get to you
'Cause you sure been getting to me

Gotta get to you
'Cause you sure been getting to me

Gotta get to you
'Cause you sure been getting to me
