He was sitting there beside me
Throwin' doubles down
When he ordered up his third one
He looked around
Then he looked at me
And said I do believe I'll have one more
He said I hate this bar and I hate to drink
But on second thought, tonight I think
I hate everything

Then he opened up his billfold
And threw a 20 down
And a faded photograph fell out
And hit the ground
And I picked it up
He said Thank you bud
I put it in his hand
He said I probably oughta throw this one away
Cause she's the reason I feel this way
I hate everything

Chorus:
I hate my job
And I hate my life
And if it werent for my two kids
I'd hate my ex-wife

I know I should move on
And try to start again,
But I just can't get over her leaving me for him
Then he shook his head
And looked down at his ring
And said I hate everything

He said That one bedroom apartment
Where I get my mail,
Is really not a home, it's more like a jail,
With a swimming pool and a parking lot view
Man, it's just great
I hate summer, winter, fall, and spring
Red and yellow, purple, blue and green
I hate everything

Chorus

So I pulled out my phone and I called my house
I said Babe I'm coming home
We're gonna work this out
I paid for his drinks
And I told him thanks
Thanks for everything...
