Im drivin in my car alone
you call me on the telephone
how many times will it takes till im convinced
that your using me im just a "use to be"
its a lie i know its a lie
but i just cant go on dyin' like this

chorus

can i see you tonight baby ill act just like you want me
to
or is that just exactly what im not suppose to do
ill just stop in here have a glass of beer im just a fool i
guess
but i just cant go on dyin like this

here i am again its 4 am i think ill play that song again
the one called im so lonsome i could cry
and i wonder where you are tonight i dont know i just
dont know
but i just cant go on dyin like this

repeat chorus

lord knows i just cant go on dyin like this
