(Roger Cook - John Prine)

I don't want to be the kind to hesitate  
Be too shy, wait too late  
I don't care what they say other lovers do  
I just wanna dance with you.

I got a feeling that you have a heart like mine  
So let it show, let it shine  
If we have a chance to make one heart of two  
Then I just wanna dance with you.

I wanna dance with you  
Twirl you all around the floor  
That's what they intended dancing for  
I just wanna dance with you.

I wanna dance with you  
Hold you in my arms once more  
That's what they invented dancing for  
I just wanna dance with you.

I caught you lookin' at me when I looked at you  
Yes I did, ain't that true  
You won't get embarrassed by the things I do  
I just wanna dance with you.

Oh the boys are playing softly and the girls are too  
So am I and so are you  
If this was a movie we'd be right on cue  
I just wanna dance with you.

I wanna dance with you  
Twirl you all around the floor  
That's what they intended dancing for  
And I just wanna dance with you.

I wanna dance with you  
Hold you in my arms once more  
That's what they invented dancing for  
And I just wanna dance with you.

--- Instrumental ---

I wanna dance with you  
Twirl you all around the floor  
That's what they invented dancing for  
I just wanna dance with you.

I wanna dance with you  
Hold you in my arms once more  
That's what they intended dancing for  
I just wanna dance with you.

I just wanna dance with you.

I just wanna dance with you.

I just wanna dance with you...
