I see the questions in your eyes
I know what's weighing on your mind
You can be sure I know my part

Cos Iâ€™ll stand beside you through the years
Youâ€™ll only cry those happy tears
And though I made mistakes
I'll never break your heart

And I swear by the moon and the stars in the sky, I'll be
there
I swear, like the shadow thatâ€™s by your side, Iâ€™ll be
there
For better or worse, 'til death do us part
I'll love you with every beat of my heart, and I swear

I'll give you everything I can
I'll build your dreams with these two hands
We'll hang some memories on the wall

And when just the two of us are there

You won't have to ask if I still care
Cos as the time turns the page
My love won't age at all

And I swear by the moon and the stars in the sky, I'll be
there
I swear, like the shadow thatâ€™s by your side, Iâ€™ll be
there, I'll be there
For better or worse, til death do us part
I'll love you with every beat of my heart, I swear
Oh, yeah

I swear by the moon and the stars in the sky, I'll be
there, I'll be there
I swear, like the shadow thatâ€™s by your side, Iâ€™ll be
there
For better or worse, til death do us part
I'll love you with every beat of my heart, I swear
I swear
