[Chorus:]

Well, I Do what my heart says do  
And Right now it's pointing at you  
Hey girl, you're tugging' on my heart strings

Well, I've seen everything  
I thought I heard my heart sing

I went home flying high  
I met the girl of my dreams tonight  
A wild fire, screaming' inside  
I know it's real 'cause my heart don't lie

[Repeat Chorus]

Well, here I am knocking on your door  
This old hound wants to talk a little more  
The T.V.A. and the Hoover dam  
Don't turn me on like holding your hand

[Repeat Chorus x2]

Well, I've seen everything  
I thought I heard my heart sing  
Well, I've seen everything  
I thought I heard my heart sing  
Heart sing
